Work, life, balance... Avon Representatives can have it all.

"With Avon, I can be home with my children and have a career. They play; I make phone calls. I take them to the park and connect with new clients along the way. My daughters get to see every day, through my actions, what it's like to be an entrepreneur."
Lydia Osolinsky, San Jose, CA

"I joined Avon so I could be with my 7-year-old son and my 4-month-old daughter. Fast-forward, now my son is all grown up and he's my official business partner. We love that we're building a legacy for our family and our team members—it's a beautiful thing!"
Donna Reid Mitchell, Frisco, TX

The beauty in giving back

Together with the help of Avon Representatives and customers, we’ve contributed over $1 billion to some of the most important causes affecting women. Joining Avon means you’re part of a community dedicated to supporting life-changing programs and empowering others.

One in four women worldwide will be a victim of domestic abuse in her lifetime. What’s more, domestic violence has historically been a taboo subject. In 2004, Avon launched the Speak Out Against Domestic Violence program to give a voice to those who suffer in silence.

The beauty in giving back

Since 1992, the Avon Breast Cancer Crusade has been working to help prevent, treat and, ultimately, eradicate breast cancer globally. From fundraising products to AVON 39 The Walk to End Breast Cancer, we’re helping turn diagnoses into stories of survival.
